SUBMITTING YOUR INVOICE:

Preferred Method: E-Invoicing (Open Invoice Software)

Open Invoice decreases processing time and improves invoice visibility. For more information or to get setup, please contact e-invoice@intl.cnooltd.com

Invoices sent to this address will not be processed.

Alternate Method: Email Invoices to Accounts Payable

Invoices including backup can be emailed to APinvoices@intl.cnooltd.com

- *Do not include anything in the body of the email*
- *Include the invoice number & vendor name in the email subject line*
- *The invoice and all backup must be in a single pdf*
